16. Bernie Appearances

Bernie, being the socialite that he is, would be more than happy to show up to any event upon request. Invitations to your event need to be made at least 1-2 weeks in advance, so he has time to comb his fur and shine his shoes. Just send your request to Bernie@marymount.edu.

17. Mass Email Digest...get your event listed!

Each Monday, students will receive The Bark, a digest of upcoming events and important campus information in their email inbox. Instead of sending out individual mass e-mails for each information update or event, information regarding campus events will now be disseminated via The Bark. In an effort to decrease email to students, we will no longer be able to honor requests to send mass-emails outside of The Bark, with the exception of emergency situations.

All requests must be turned in by Thursday at 11am to the Student Development office through the web form at <http://archive.marymount.edu/studentlife/bark/submit.cfm> for dissemination on Mondays by 11am. Call Student Development at 703.284.1615 with any questions!
