MARYMOUNT UNIVERSITY
Arlington, Virginia

Application for
The Clare Boothe Luce Scholarship for Women in Science and Mathematics
The Clare Boothe Luce Scholarship for Women in Science and Mathematics

Marymount University is one of 13 designated institutions in the Clare Boothe Luce Scholarship Program, which promotes the advancement of women through higher education in the sciences and mathematics.

Clare Boothe Luce Scholarships are awarded competitively and are based on a full review of the applicant’s academic record, standardized test scores, career and education goals, and the completed scholarship application.

Each Clare Boothe Luce Scholarship provides full financial support to the recipient, covering tuition and on-campus room and board expenses.

Both high school seniors and transfer students are eligible to apply for Clare Boothe Luce Scholarships. The following criteria are taken into consideration in selecting women for this program:

- a record of strong academic performance
- admission for full-time study in one of the following degree programs at Marymount University: Biology, Information Technology (Computer Science track), or Mathematics
- intent to pursue a career in teaching or research in mathematics or the sciences
- U.S. citizenship

**Submission Date**
Applications received by February 1 will be given priority consideration.

**Application Process**
To apply for a Clare Boothe Luce Scholarship, please return the completed application, with your essay attached, to

Office of Admissions
Marymount University
