The Phi Theta Kappa Scholars Program

The Phi Theta Kappa academic scholarship program is designed to recognize those undergraduate transfer students who have achieved outstanding academic performance in their college coursework to date and who exhibit the intellectual ability, personal development, and special motivation necessary for the highest levels of academic achievement, service, and citizenship during their university careers.

These scholarships are awarded to first-time Marymount University students and are based on a full review of the applicant’s college transcript(s) and scholarship application.

A scholarship in the amount of $2,000 will automatically be awarded to an applicant who

• has been an active Phi Theta Kappa member;
• has submitted a satisfactory recommendation letter from his/her chapter advisor;
• has a minimum grade point average of 3.5;
• has a minimum of 30 college credits; and
• plans to enroll at Marymount University as a full-time, degree-seeking student.

This application will automatically place the applicant in consideration for an additional Transfer Academic Scholarship, carrying an award of up to $6,000. Students who have previously completed coursework that culminated in a bachelor’s degree are not eligible for this scholarship program.

**Submission Date**

The priority deadline for all applicants, including students who have not fully completed the admissions process, is **May 1**. Scholarships will be awarded for the following fall semester.
