Navigating to your Timeline after Logging In

- 1) After logging in to “My MU Plan” (Student Planning), go to the “Plan & Schedule” menu to access your schedule, timeline and advisor information. This guide will primarily deal with your timeline. For more information on your schedule and the advisor information, please see the “Registration 101” guide.

Steps to Getting Started

There are many options to help you plan your courses and earn your degree. Here are 2 steps to get you started:

- 1 View Your Progress
Start by going to My Progress to see your academic progress in your degree and search for courses.
[Go to My Progress](#)
- 2 Plan your Degree & Register for Classes
Next, take a look at your plan to see what you've accomplished and register your remaining classes toward your degree.

Navigating to your timeline from “My Progress” or other Function

- 2) If you are navigating to your timeline from another student planning function (for example, “My Progress”), go to the “My MU Plan” menu at the top of your screen and select the “Plan & Schedule” menu option. Then select the “Timeline” tab.

The left screenshot shows the 'My MU Plan' dropdown menu with 'Plan & Schedule' highlighted. The right screenshot shows the 'Plan & Schedule' page with the 'Timeline' tab selected, displaying a course schedule for Fall 2017. The schedule shows two courses: DSC-101-B: Tbd and HI-111-A: History of the US since 1877. Both courses are marked as 'Registered, but not started'. The schedule also shows a grid for Sun and Mon with time slots from 7am to 7pm.

Note: Do not use the back arrows in your internet browser. Either select the appropriate menu option or use the built in “Back to...” functions in student planning (for example, “Back to Course Catalog”).

A Blank Timeline vs. a Fully Planned Timeline

- 3) When you first log in to “My MU Plan” (Student Planning) you will see your registered courses for the current term, which will show with a checkmark next to them until they are graded, and three future terms which are blank the first time you log in. In order to register, you will need to plan out your schedule for each term by adding courses to your timeline. There will be more details on adding courses to your timeline later on in this guide.

The screenshot shows the 'Plan & Schedule' page with the 'Timeline' tab selected. The timeline view displays four terms: Summer 2017, Fall 2017, Spring 2018, and Fall 2018. The Summer 2017 term is fully planned with two courses: EN-102-A1: Composition II (Credits: 3) and IT-120-A2: Cybersecurity Principles (Credits: 3). The other terms are blank. The total enrolled credits for Summer 2017 are 6. The interface includes a search bar for courses, a 'Remove Planned Courses' button, and an 'Add a Term' button.

4) A fully planned schedule might look something like this.

Check Marked and Graded Courses

Checkmarks (Non-term Courses)

- Check marked courses under the “Non-term Courses” column (see picture below) indicate courses that were transferred in from another institution or completed through CLEP or Advanced Placement and not taken at Marymount during a specific term. The checkmark indicates that the course has been completed.

Checkmarks (Current Term Courses)

- Check marked courses under a specific term (for example in Summer 2017 in the picture below) indicate courses that are currently registered for.

Note: If you register for summer and/or fall courses during the spring semester, then both your spring, summer and fall courses will have checkmarks by them indicating these courses have been registered for.

Graded Courses

- Courses that have been completed in prior terms at Marymount (ex. Spring 2017) will show the final grade you received in the course.

Completed Credits

12) Graded courses will show as completed credits on your timeline.

Enrolled Credits

13) Enrolled credits indicate the number of credits you are registered for in a given term.

Planned Credits

14) Planned courses indicated the number of credits planned, but not yet registered for in future terms.

The screenshot displays a navigation bar with tabs: Schedule, Timeline, Advising, and Petitions & Waivers. Below the tabs, there are four columns representing different terms:

- Non-term Courses:** Lists four completed courses with checkmarks: BIO-161: Anatomy & Physiology I (4 credits), BIO-162: Anatomy & Physiology II (4 credits), ECO-199: Principles of Macroeconomics (3 credits), and MA-100: FUNDAMENTALS OF MATHEMATICS (0 credits). Total: 12 Completed Credits.
- Spring 2017:** Lists three completed courses: ECO-211-B: Principles of Macroeconomics (3 credits, grade B+), EN-101-B: Composition I (3 credits, grade A), and HI-110-A: History of the US to 1877 (3 credits, grade A-). Total: 6 Enrolled Credits.
- Summer 2017:** Lists two completed courses with checkmarks: EN-102-A1: Composition II (3 credits) and IT-120-A2: Cybersecurity Principles (3 credits). Total: 6 Enrolled Credits.
- Fall 2017:** Lists five planned courses: D5C-101-B: Tbd (3 credits), HI-111-A: History of the US since 1877 (3 credits), IT-110: IT in the Global Age (3 credits), IT-210: Software Engineering (3 credits), and MA-151: Math Methods for Bus (3 credits). A warning note for MA-151 states: "Take MA-095; minimum grade of C- Recommended prior to taking this course, but is not required." Total: 18 Planned Credits.

Adding/Removing Terms

Adding a term

15) To add a term to your timeline (for example Summer terms), click the “Add a Term” button and select the term you wish to add to your timeline.

The screenshot shows the 'Add a Term' process in the course schedule interface. At the top, there are tabs: Schedule, Timeline, Advising, and Petitions & Waivers. A button labeled 'Add a Term' is circled in red. Below the tabs, there are four columns representing different terms:

- Spring 2017:** Lists two completed courses with checkmarks: BIO-120-A: Intro to the Biological World (3 credits) and BIO-120L-B: Intro to the Biol World-Lab (1 credit).
- Fall 2017:** Lists two completed courses with checkmarks: ACT-201: Principles of Accounting I (3 credits) and ECO-211: Principles of Macroeconomics (3 credits).
- Spring 2018:** Lists two completed courses with checkmarks: ACT-202: Principles of Accounting II (3 credits) and ACT-202L: Principles of Accounting Lab (1 credit).
- Fall 2018:** Lists two completed courses with checkmarks: ECO-431: Contemporary Issues in Econ. (3 credits) and EN-225: Literary Superheroes (3 credits).

A modal window titled 'Add a Term to Your Plan' is open, displaying a list of terms to be added to the plan. The terms listed are: Summer 2017, Summer 2018 (circled in red), Summer 2019, Summer 2020, Summer 2021, Fall 2020, Spring 2021, Summer 2021, Fall 2021, Spring 2022, and Summer 2022. The 'Add Term' button in the modal is also circled in red.

Removing a Term

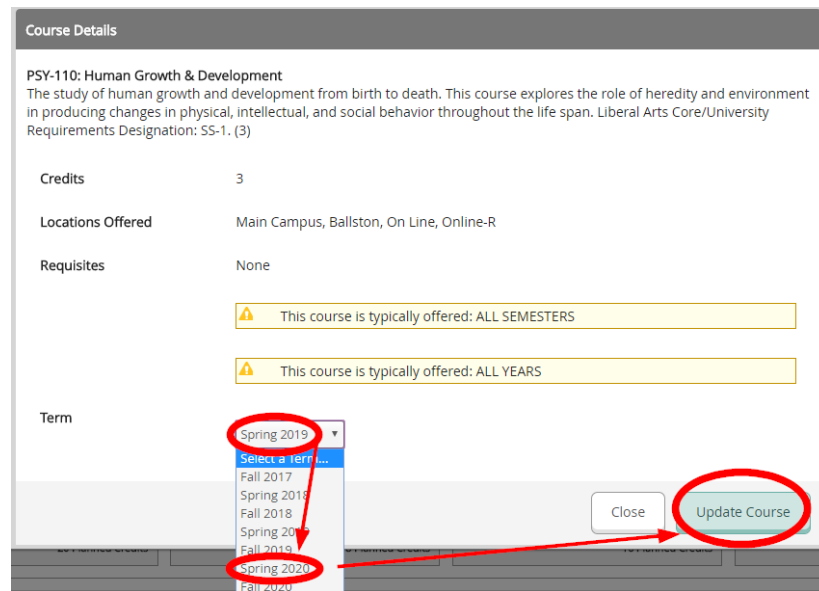

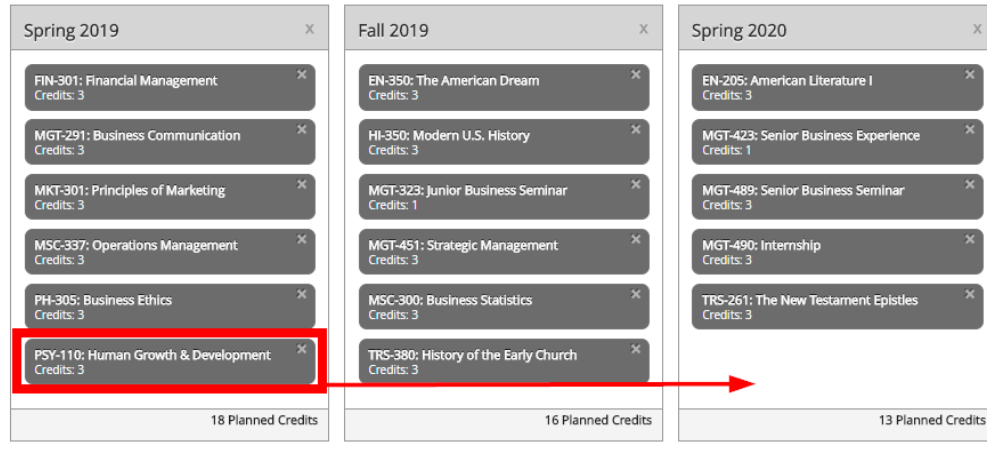

16) To remove a term, simply click on the “x” next to the term and confirm the removal.

Moving & Removing Courses

Moving Courses to Another Term

17) To move an already planned course to another term (for example, PSY-110 from Spring 2019 to Spring 2020), click on the course in your timeline. A pop up will appear where you can select another term and then click “Update Course” to add the course to another term. If a term does not appear in the dropdown menu, then first add a term to your plan, and then move the course to the new term.

Course Information

18) When you click on a course in your timeline you will see the following information under the course details:

The screenshot shows a 'Course Details' modal window. At the top, it displays the course title 'PSY-110: Human Growth & Development' with a red 'a.' next to it. Below the title is a description: 'The study of human growth and development from birth to death. This course explores the role of heredity and environment in producing changes in physical, intellectual, and social behavior throughout the life span. Liberal Arts Core/University Requirements Designation: SS-1. (3)' with a red 'b.' next to the designation. The 'Credits' field shows '3' with a red 'c.' next to it. The 'Locations Offered' field shows 'Main Campus, Ballston, On Line,' with a red 'd.' next to it. The 'Requisites' field shows 'None' with a red 'e.' next to it. There are two yellow warning boxes: the first says 'This course is typically offered: ALL SEMESTERS' with a red 'f.' next to it, and the second says 'This course is typically offered: ALL YEARS' with a red 'f.' next to it. The 'Term' field shows a dropdown menu with 'Spring 2019' selected. At the bottom right, there are 'Close' and 'Update Course' buttons.

- Course number and title
- Course description and if applicable, a Liberal Arts Core/University Requirements designation
- Number of credit hours for the course
- List of any required or recommended pre- or coquisites
- Summary of when the course is **typically** offered, for example either “All Semesters” or “Fall” or “Spring” and a summary of how frequently a course is offered, for example “All Years” or every other year. **Note: This does not guarantee that the course will be available every semester.**

Students interested in taking courses during the summer should consult their school department chair for information about summer course offerings as these differ from the regular fall and spring schedules.

Removing Courses

19) To remove a course from your timeline, click the “x” to the right of the course title.

The screenshot shows a 'Timeline' view for 'Fall 2017'. It lists several courses with their titles and credit hours. Each course entry has a small 'x' icon to its right, indicating it can be removed. The 'DSC-101-G: TBD' course has a red circle around its 'x' icon. At the bottom, there is a summary: '3 Enrolled Credits, 18 Planned Credits'. A warning message at the bottom says 'Take MA-095; minimum grade of C- Recommended prior to taking this'.

- 20) **Note:** If you register for a specific section of a course (ex. Section B), but change to another section later (ex. Section G), the original section will still show on your timeline unless removed. In the example below, a student registered for DSC-101-B ([see checkmark by the course](#)), but also added DSC-101-G to their plan. Both sections will show on the timeline until one section is removed (to remove, see [step 19](#)).

Both courses and their credits will also show as planned on “My Progress” and calculate into the total credits planned progress bar, so you will want to remove one section and confirm that you still have the 120 credits needed for graduation (Undergraduate students only).

(See the **Registration 101** guide for more info on selecting specific sections and the **My Progress – Degree Audit 101** guide for more information on reading your degree audit and progress bars).

Screenshot of a student's course timeline for Fall 2017. The timeline shows several courses:

- DSC-101-B: Tbd (Credits: 3) with a checkmark icon.
- DSC-101-G: TBD (Credits: 3) with an 'x' icon.
- HI-111-A: History of the US since 1877 (Credits: 3) with an 'x' icon.
- IT-110: IT in the Global Age (Credits: 3) with an 'x' icon.
- IT-210: Software Engineering (Credits: 3) with an 'x' icon.
- MA-151: Math Methods for Bus (Credits: 3) with an 'x' icon.

A yellow warning box is present below MA-151 with the text: "Take MA-095; minimum grade of C- Recommended prior to taking this".

At the bottom, it says "3 Enrolled Credits, 18 Planned Credits".

Clearing Requisite Warnings

- 21) Courses with prerequisites or corequisites will show a warning if the requisite has not been met or scheduled in a prior or same term (depending on the type of requisite – prerequisite in prior term, corequisite in same term).

In the example below, MGT-323 (and MGT-423) requires a prerequisite of FIN-301, which is currently scheduled for Spring 2020. Therefore, you will need to move FIN-301 to an earlier term if you wish to take MGT-323 in the fall. (Follow [step 17](#) to move FIN-301).

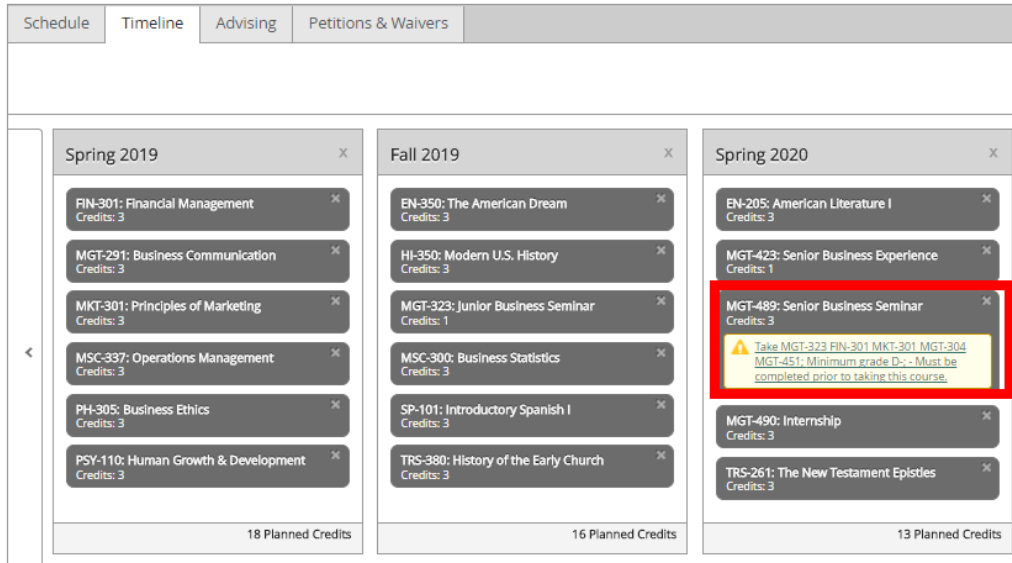

The screenshot shows a course schedule interface with three columns for Spring 2019, Fall 2019, and Spring 2020. The Spring 2019 column contains: MGT-291: Business Communication (Credits: 3), MKT-301: Principles of Marketing (Credits: 3), MSC-337: Operations Management (Credits: 3), PH-305: Business Ethics (Credits: 3), and PSY-110: Human Growth & Development (Credits: 3). The Fall 2019 column contains: EN-350: The American Dream (Credits: 3), HI-350: Modern U.S. History (Credits: 3), MGT-323: Junior Business Seminar (Credits: 1) with a warning: "Take MGT-223 MGT-291 LA-249 FIN-301 MKT-301; - Must be completed prior to taking this course.", MSC-300: Business Statistics (Credits: 3), SP-101: Introductory Spanish I (Credits: 3), and TRS-380: History of the Early Church (Credits: 3). The Spring 2020 column contains: EN-205: American Literature I (Credits: 3), FIN-301: Financial Management (Credits: 3) circled in red, MGT-423: Senior Business Experience (Credits: 1) with a warning: "Take FIN-301 MGT-323 MKT-301 MGT-304 - Must be completed prior to taking this course.", and MGT-489: Senior Business Seminar (Credits: 3) with a warning: "Take MGT-323 FIN-301 MKT-301 MGT-304 MGT-451; Minimum grade D; - Must be completed prior to taking this course." A red arrow points from the FIN-301 course to the warning for MGT-323.

FIN-301 has been moved to Spring 2019 and the requisite warning for MGT-323 (MGT-423) has disappeared. **Note: MGT-498 still has a requisite warning. (See the next step for adding a requisite course to your timeline).**

The screenshot shows the same course schedule interface after moving FIN-301 to Spring 2019. The Spring 2019 column now includes: FIN-301: Financial Management (Credits: 3) circled in red, MGT-291: Business Communication (Credits: 3), MKT-301: Principles of Marketing (Credits: 3), MSC-337: Operations Management (Credits: 3), PH-305: Business Ethics (Credits: 3), and PSY-110: Human Growth & Development (Credits: 3). The Fall 2019 column contains: EN-350: The American Dream (Credits: 3), HI-350: Modern U.S. History (Credits: 3), MGT-323: Junior Business Seminar (Credits: 1) circled in red, MSC-300: Business Statistics (Credits: 3), SP-101: Introductory Spanish I (Credits: 3), and TRS-380: History of the Early Church (Credits: 3). The Spring 2020 column contains: EN-205: American Literature I (Credits: 3), MGT-423: Senior Business Experience (Credits: 1), MGT-489: Senior Business Seminar (Credits: 3) with a warning: "Take MGT-323 FIN-301 MKT-301 MGT-304 MGT-451; Minimum grade D; - Must be completed prior to taking this course.", MGT-490: Internship (Credits: 3), and TRS-261: The New Testament Epistles (Credits: 3).

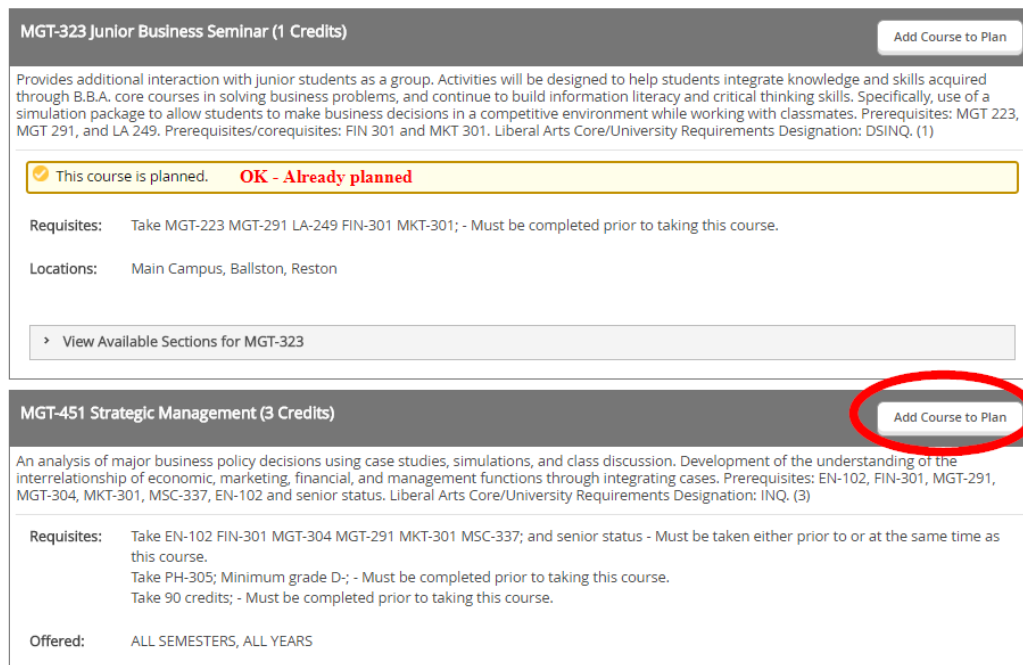

Adding a Requisite Course to your Timeline

- 22) While moving FIN-301 to another term cleared two requisite warnings, the warning for MGT-498 still appears on the timeline. To confirm which pre-requisite has not been met yet, click on the link in the warning.

Then go to the “My MU Plan” menu and select “Plan & Schedule” to return to your timeline. **(Do not hit the back arrows in your internet browser)**

The screenshot shows the Marymount University website interface. At the top, there is a header with the university name and a note that it is a test environment. Below the header is a navigation bar with three items: 'Academics', 'My MU Plan', and 'Course Catalog'. A mouse cursor is pointing at 'My MU Plan', which has opened a dropdown menu. The menu contains several options: 'Planning Overview', 'My Progress', 'Plan & Schedule', 'Course Catalog', 'Test Summary', and 'Unofficial Transcript'. The 'Plan & Schedule' option is circled in red. To the left of the menu is a search filter section with categories like 'AVAILABILITY', 'SUBJECTS', and 'LOCATIONS'. To the right, there is a course listing for 'FIN-301 Financial Management (3 Credits)' with a yellow status bar indicating 'This course is planned.'
