**Information:**
The application initiates a degree audit. Once the audit has been completed, students will be notified in writing if they have any unresolved academic/graduation problems or if they will not be eligible to graduate during the semester for which they have applied. Students should be certain to indicate their expected degree and academic program (major) including any double majors and/or minors.

**Change of plans or failure to graduate and reapplication:**
If a student fails to meet the graduation requirements for the term for which they application, the petition will be automatically moved to the next semester upon notifying the Registrar’s Office, provided the student can complete their requirements within the maximum period for degree completion. Students who are unable to complete their degree requirements within the maximum period for completion must obtain permission to continue. For any delays beyond one semester, the student must file a new petition by the appropriate deadline and indicate the new anticipated graduation date.
