*“Why am I not seeing my current semester’s classes?” – Check Term*

---

- If your current semester’s classes are not appearing, make sure you are filtering by the current term on your My Students list:

The screenshot shows the Starfish application interface. At the top, there is a blue header with the Starfish logo and a search bar labeled "Search for Students". Below the header, there are four main tabs: "MY STUDENTS" (highlighted in orange), "TRACKING", "ATTENDANCE", and "PROGRESS SURVEYS".

Under the "MY STUDENTS" tab, there are several action buttons: "Flag", "Referral", "To-Do", "Kudos", "Success Plan", "Message", and "Note". Below these buttons is a search and filter section. The "Search" field contains the text "Student Name, Username, or ID" and a "Go" button. The "Connection" dropdown is set to "20FA-LA-280-A". The "Term" dropdown is currently set to "Fall 2020", and a blue arrow points to this dropdown. The "Cohort" dropdown is empty. To the right of the "Term" dropdown is an "Additional Filters" section with an "Add Filters" button.

Below the search and filter section is a table with columns for "Name", "Email", "Phone", and "Cell Phone". The table contains one row with redacted information. The "Term" dropdown menu is open, showing the following options: "Active", "All", "Fall 2018", "Spring 2019", and "Fall 2019".
