Monday, Tuesday, Thursday, Friday ♦ 8:30 a.m. – 5 p.m.
Wednesday ♦ 8:30 a.m. – 6:30 p.m.

Summer Hours

Monday – Friday ♦ 8:30 a.m. – 4:30 p.m.
Last appointment is scheduled an hour before close.

We are closed weekends, university observed holidays and during university closures.

Appointments preferred. Walk-ins as available.

Please feel free to call the Student Health Center 703-284-1610 with any questions.

Here are some common student questions:

1. Who is eligible to receive medical care at the Student Health Center (SHC)?

Any student currently enrolled at Marymount University is eligible for SHC care.

2. How much does it cost to be seen by a provider at the SHC?

Office visits are free, however additional labs, testing and vaccination services may have fees associated based on your insurance. Please refer to our website for additional information regarding services fees.

3. Are radiology services available at the SHC?

Radiology services are not available at the SHC. A referral can be provided if needed.

4. Will I be able to get a copy of my medical records?

Yes, an authorization form for release of confidential information will need to be completed. Please come by the SHC or visit our website.

5. What do I do if the SHC is closed?

If the SHC is closed and you are in need of medical services that cannot wait, please visit our website for nearby urgent care or retail clinics. Virginia Hospital Center is located 1.5 miles from the Marymount campus and has emergency room services.

For urgent care, hospital and pharmacy locations near campus, please refer to www.marymount.edu/shc/resources

MARYMOUNT
UNIVERSITY

Arlington, Virginia

Welcome to the Marymount University Student Health Center

Marymount University Student Health Center (SHC) is staffed by registered nurses, nurse practitioners, a medical physician and administrative support staff.

All students enrolled at Marymount University are required to complete the required student medical forms via the patient portal. A registration block will result if the forms are not received by the scheduled deadline. Please visit our website for information regarding submission deadlines and the patient portal.

Marymount University requires all full-time students to carry adequate health insurance. At the start of each academic year, full-time students will automatically be enrolled in the Marymount sponsored health plan unless proof of other insurance is provided by submission of an online Insurance Waiver. This Insurance Waiver is separate from the required health forms and can be found online at www.uhcsr.com/marymountu. If no action is taken and a waiver is not received by the current term's waiver deadlines, the student will be enrolled and assessed a fee for the premium.

Please contact the SHC regarding questions about the required health forms or the Insurance Waiver.

Services Provided

-  The SHC offers evaluation and treatment of illnesses, injuries and preventative care
-  Laboratory services
-  Vaccinations
-  Travel health consultation
-  Allergy injections
-  Psychological services

Please contact the SHC with any questions regarding your health or other services offered.

Health and Wellness

The Student Health Center offers various activities and events on campus to promote health education and the Pursuit of a Healthier You. Programs include health and wellness events such as:

- ◆ Wellness Wednesday Programming
- ◆ Doggie De-Stress Days with visiting therapy dogs
- ◆ Men's & Women's Health Awareness
- ◆ Mindful Meditation & Movement
- ◆ Drug/Alcohol Outreach
- ◆ Art Relaxation Workshops
