March 1, 2019

Dear Marymount Community,

In our effort to provide information about university resources and student services, we have developed an annual Resource Card for you to reference throughout the year. The document is intended for faculty and staff to use as a reference tool. It can be found on the Student Affairs Administration webpage, along with other important information.

We wish you a successful academic year.

Sincerely,

Linda McMurdock, Ph.D.
Vice President for Student Affairs
