

Mary Proenza, *Pussies' Lair*, oil on panel, 36 x 24 inches

Personal Worlds

Oil paintings, drawings & prints

by Mary Proenza

"My work explores social, political, environmental, and personal themes, and starts from a sense that the world is inexhaustibly interesting. I combine perception and other visual sources with memory, imagination, and narrative, and I work back and forth between drawing, painting, printmaking, and writing."

- **Mary Proenza**, Assistant Professor of Fine Arts,
Marymount University
